Certified DATA ANALYST

Data Solution 360

CERTIFICATE

OF ACHIEVEMENT

THIS CERTIFICATE IS PRESENTED TO

Md. Nasif Rafidi

This certificate is awarded in recognition of the recipient's successful completion of the six-month **Data Analyst Job Ready Bootcamp**, Batch 2524. Throughout the programme, the recipient consistently demonstrated proficiency in **advanced data analysis, data cleaning, visualization, and process optimization**. With expertise in **Excel, SQL, Power BI, and Python**, complemented by a solid understanding of statistics, the recipient is well-prepared to pursue a career in data analysis. This achievement reflects their technical competence and dedication to continuous learning, laying a strong foundation for future professional success.

Issue Date:**24 October 2026**
